**Costume/Hair Info** - Dancers should have the proper shoes, tights, hair, make-up, and costume pieces for the recital. Come dressed and ready to go with hair and make-up done! Make sure hair is tightly fastened in your class hair style and any hair accessories are bobby pinned on their right side. Label shoes and costumes with student names. Tights act as their undergarment. Bras should be nude in color and have clear straps. No jewelry or nail polish should be worn. If your student has a costume change and you have not volunteered, make sure that everything is clearly labeled to help the class adult get the child ready.

### **Hair Styles -**

Hip-Hop & Jazz - High Ponytail

Twinkle Babies and Twinkle Stars - ½ up, ½ down

**Make-Up** - Stage lights can really wash out dancers. To not appear too ghostlike, it is recommended all dancers wear make-up. Make-up can be adjusted for the youngest dancers as needed but at minimum

blush and lipstick are recommended. Full dance stage make-up is always best. Colorstay products from Revlon are great for making sure they still have make-up on once they hit the stage and that it doesn't rub off onto costumes. Dance make-up tutorials can be found on YouTube. We recommend brown eyeshadows, black eye liner, mascara, blush, red lip liner and red lipstick.

**Backstage** - Manda's Rhythm & Dance and the theater are not responsible for any lost or stolen items, do not bring valuables backstage. **Please do not bring food backstage.** Many students have allergies and we don't need messy snacks backstage. Water only! Bring a water bottle labeled with your child's name.

**Check-In and Check-Out** - ONE female guardian must check in the dancer. The guardian will receive a wristband and that same guardian needs to be the one who picks up the child. If you are needed in the backstage area during the show, you'll be paged in the auditorium and asked to come back. Family members and friends are not permitted in the backstage areas during the rehearsal or recital. There is a lot of backstage activity in a limited space, and dressing areas are private areas for the safety of our students. Those who wish to greet performers after the show may do so in the lobby after dancers have been checked out.

**Twinkle Babies** should be checked out immediately after they dance, not at the end of the show. Twinkle Babies may go into the auditorium to wait for the finale', however it is not required they stay until the end. This applies to Twinkle Babies only! The show is approximately 1.5 hours long.

**Dads Dance** - Dancers aged 5 and over and a father figure are welcome to sign-up for the special dads' dance, the link for sign-up is on the recital page.. The fee is \$75. Practices are held at Manda's Rhythm & Dance on May 13, 20 and June 3 at 1:30pm. All practices are required.
